

# All MMDL TEAMS CAN NOW USE DARTCONNECT FOR FREE! DartConnect Season Pass Program

Minute Man Dart League has arranged to cover the cost for **ANY** team that wishes to use the DartConnect scoring app for their league matches. To get started, create a Guest Account with DartConnect and then make sure you give MMDL the same email you used for your DartConnect account. *See reverse side for more information.*

## DartConnect is the Future of Steel Tip

- Score matches quickly and easily - *no math required!*
- League Rosters download automatically to your device
- Comprehensive match reports delivered to your email
- New Performance Leaderboards for players and teams
- Friends, Fans and Teammates can follow matches on DCTV
- *And much more...*

## How can DartConnect help improve the league?

In addition to speeding up match play, DartConnect will reduce our operating expenses by reducing paperwork and league reporting. It is our goal to enable all teams to adopt DartConnect so that both the league and players alike can share in the benefits, including:

- Completely paperless and automated match reporting
- Automated statistics with reliable accuracy
- Fact-based player and team rankings
- More fairly balanced division assignments
- Accurate match records down to each turn thrown
- *And much more...*

DartConnect scoring app works on most Tablets & PCs for Apple, Android & Windows

## MMDL DARTCONNECT SEASON PASS PROGRAM

# How To Get Started

EVERY PLAYER ON THE TEAM can and should have a DartConnect Account - not just the captain. With a free guest account, any player on the team can host a league night match when required. Captains have scheduling conflicts as well!

### TO DOWNLOAD THE DARTCONNECT APP:

1. Create a DartConnect Guest Account - see instructions below.
2. Make sure you provide MMDL with the SAME email address that you used for your Guest Account.
3. Download the app to your Apple, Android or Windows tablet (minimum 7" screen for league use). **Watch Video:** "How to Save DartConnect to Your Home Screen".
4. You will receive notification when MMDL Season Pass becomes available inside the app.
5. Once activated, there will be a sample practice league that allows you to explore the app and become comfortable selecting players, scoring, correcting mistakes and saving matches. **Learn DartConnect in a risk free environment.**
6. **Prepare in advance!** Visit the MMDL's website and click the red flight to go to the DartConnect help page for helpful video tutorials and other instructions to help you learn more about how easy it is to score matches with DartConnect.
