

IMPORTANT NOTICE: Weekly standings are now sent via email

In an effort to reduce costs and streamline administration, weekly standings are no longer sent via postal mail. In addition to being posted on the MMDL.org website, standings are now distributed via email along with other important league news and announcements.

Why the switch?

- Reduce expenses of printing and postage
- Communicate and respond more directly and efficiently with league members
- Easier way to share info with your teammates

What should you do?

- Sign up for the league email announcement list
- Anyone can sign up, even non-MMDL members
- Be sure to share information with players that don't have email or computer access

If you do not have an email address, you may use a friend or relative's, but it is important to still be able to receive the messages in a regular fashion as sometimes information is time sensitive.

To subscribe to the list for receiving league news and announcements, simply send an email from your account to:

mmdl-news-announcements-subscribe@googlegroups.com

You can also subscribe by visiting MMDL.org and entering your email into the subscription box and pressing the "subscribe" button. Sponsor pubs and clubs will also no longer receive mailings on a regular basis. Please inform sponsors and team members that wish to receive league emails to subscribe as well. Even non MMDL members are invited to join.

Please assist team members without email or Internet access by sharing league announcements with them.

MMDL Dart Forums

- Talk darts with other MMDL members

Team Captain's Basic Responsibilities:

- Assemble team roster, line up sponsorship payment and attend captain's meetings.
- Distribute match schedules to team mates and assist with transportation needs.
- Determine lineups and fill out match reports (this may be delegated or shared with team mates if desired)
- Begin the match on time and direct the smooth running of all matches and adherence to league rules.
- Make sure a chalker is assigned during your team's turn to chalk.
- Resolve any disputes in private conference with opposing team's captain
- Receive league emails and other communications and relay announcements and information to team members.

- Communicate with Area Director on any issues, including rules clarifications, points and standings, roster changes, and playoff participation.
